Haley & Aldrich raises \$48,000 to benefit Boston Children's Hospital and Spaulding Rehabilitation Network

Boston, Mass., June 27, 2019 – Haley & Aldrich hosted its ninth annual Charity Golf Tournament on June 21, 2019, at the Red Tail Golf Course in Devens, Mass. The sold-out event generated \$48,000 to benefit Boston Children's Hospital and Spaulding Rehabilitation Network, long-standing Haley & Aldrich clients. After nine years of hosting the golf tournament, Haley & Aldrich has helped raise over \$300,000 for Boston Children's Hospital and members of the Partners HealthCare System.

144 golfers from 37 Boston-area companies supporting real estate development, architecture, engineering, and construction participated in the sold-out tournament. Sponsoring companies included three Diamond Sponsors, [Alpha Analytical](#), [James W. Flett Company](#), and [W. L. French Excavating Co.](#); seven Platinum Sponsors, [A.A. Will Corporation](#), [Commercial Construction Consulting](#), [East Coast Slurry Company](#), [Eastern Bank](#), [Hayward Baker](#), [Millennium Partners](#)

, and [TREVIICOS](#); and three Gold Sponsors, [GeoLogic](#), [Helical Drilling](#), and [McNamara • Salvia](#).

“We greatly appreciate the supportive network of partners and clients that help make this tournament an incredible event each year,” said Lizetta Fennessy, P.E., Senior Vice President and General Manager of Haley & Aldrich’s Buildings & Infrastructure Business Unit. “We are really proud to support the missions of Boston Children’s Hospital and Spaulding Rehabilitation Network, two world-class institutions on the leading edge of healthcare innovation.”

Haley & Aldrich has worked with Boston Children’s Hospital for over 50 years, helping them design and build facilities to serve the health needs of children. Haley & Aldrich’s recent work with Boston Children’s Hospital includes the Longwood Avenue Bridge and Garage Addition, the Hale Family Clinical Building, and support for the planning and schematic design of future projects.

Haley & Aldrich has worked with Brigham and Women’s Hospital’s parent company, Partners HealthCare System, for over 30 years on projects for many Partners’ institutions including Brigham and Women’s Hospital, Spaulding Rehabilitation Hospital, and Massachusetts General Hospital. Haley & Aldrich recently worked on the [Spaulding Rehabilitation Hospital](#) in the Charlestown Navy Yard.
